The keynote address will be delivered by Phoenix Scout Executive **George Miller** and the challenge will be given by **J. Harold Williams**, retired Scout Executive of the Narragansett Council in Rhode Island.

Housing for the weekend will be at the Family Camp plus other camp resident facilities.

Council Scouters serving on the committee are: **T. A. Sedam**, **Francis H. Spears**, **Charles Marth**, **Aart Gilissen**, **Joel Howard**, **Russell Villwock**, **Al Johnson**, **Otto Teschner**, and **Frank Topel**.

### CONFIRM 1968 CAMP SITE RESERVATIONS IN FIRST WEEK OF SEPTEMBER

Reservations for 1968 Owasippe camp sites will be accepted and confirmed during the first week of September at the Council Service Center. Camp promotional material will be available to district camping chairmen early in September for distribution to unit leaders. Reservations should be made early to assure a site of the unit's choice.

### SELECT SITE FOR OPERATION CO-ED

Operation Co-Ed will be held Saturday, September 16, at Herrick Lake, in the Du Page County Forest Preserve. The announcement was made by the event's chairman, Explorer **David Ingstad**, and **Milton F. Adam**, adult adviser.

### SCHEDULE SHOWANDO PROGRAM FOR NUNS' DAY

A Showando day of fun with games, prizes, instruction in Scouting skills, and a cookout of charcoal broiled steaks is scheduled for Nuns' Day, Saturday, September 30, at Valley View. General Chairman **Edward J. Kawalec** has announced that this program, designed to acquaint the sisters with the objectives of Scouting, will be held from 10:00 a.m. to 3:00 p.m.

The outing, sponsored by the Catholic Committee on Scouting, is for sisters teaching third through eighth grades in schools throughout the Archdiocese. Executive Chairman **John S. Gleason, Jr.**, encourages unit leaders to invite the nuns in their parishes to this annual event. Transportation will be provided by the local Scout leaders in each parish or district.

### 1967 ROUNDUP TARGET SET AT 75,600 SCOUTS

The Council's "Years of Decision" 1967 boy membership goal

is set at 75,600 registered Scouts. Roundup Chairman **Francis H. Spears**, President, Coca-Cola Bottling Company of Chicago, asks each unit leader to pledge his unit to recruit ten or more boys to meet this year-end goal. Chairman **Spears** added that, calculating the August 1 enrollment and anticipated losses due to reregistration, it will be necessary to recruit 25,000 new boys.

#### ON TARGET

The Council has achieved its Roundup goals for the past five years and is "on target" toward its "Years of Decision" objective of 100,000 Scouts by 1970.

Consult page 5 of this COUNCILER for further information concerning Roundup procedures, awards, and events.

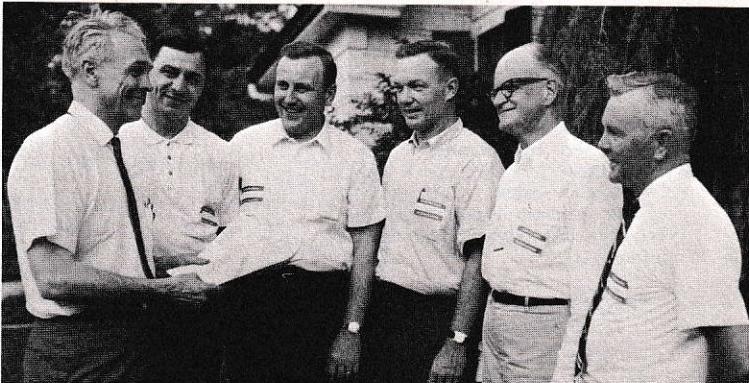

#### FREE TICKETS

Each Scout who recruits a new boy will receive a free pass to the September 23 Cubs-Cincinnati baseball game.

### SELECT AREA CHAIRMEN TO HEAD ORGANIZATION OF 300 NEW UNITS DURING FALL CAMPAIGN

Organizers and neighborhood commissioners will soon be contacting prospective unit sponsors and urging them to attend the 1967 Growth Program Kickoff, Tuesday evening, September 19, at Medinah Temple. Here the institutional heads will pledge their sponsorships of new units as the Council's campaign to add 300 new units moves into its first phase.

Growth Program Chairman **Harvey G. Foster** has announced that all area chairmen have been recruited and briefed concerning the best methods to go about org-

ganizing units in their areas. Organizers and commissioners will be trained on an area basis on September 6 before they contact prospective sponsors.

Chief Scout Executive-elect **Alden G. Barber** will be the guest speaker at the Kickoff. Governor **Otto Kerner**, a Council Vice President, also plans to attend.

A total of 877 new units have been organized since 1962 and Chairman **Foster** urges all campaign workers to continue this outstanding record of achievement during the 1967 "Join Our Gang" drive.

### MUSEUM OFFERS FREE ADMISSION TO SCOUTS

### ANNOUNCING

**Roger S. Begin** of Chicago will become the Assistant District Scout Executive of the Mohawk District on August 15. Roger has a rich background in Scouting and, as a student at George Williams College, has been working with us for one year. He will go to the National Training School at Schiff Scout Reservation in Mendham, New Jersey, and join us October 2.

**MAKE THE ROUNDUP WORK FOR YOU**  
During the next few weeks, every unit will be asked to pledge the number of boys the unit plans to enroll **THIS FALL** during the ROUNDUP. Most units

Roger S. Begin

put down the recommended 10 additional boys or a lesser amount if they don't feel challenged by the effort.

This fall we would like you to be challenged by the following guidelines:

1. Provided we had enough leadership, how many boys can our facilities comfortably serve?
2. What percentage of our institution's or our neighborhood's available boys are active in Scouting?
3. Do we care enough about the many boys in our neighborhood who are not in Scouting, that we will recruit them for our unit or another unit, if ours is full?
4. Do we care enough about this program we serve that we will convince more boys and their parents that this is a great program and they MUST be a part of it?

Our district is planning a series of pioneer "School Sign Up" nights. In selected schools we will ask all boys and their parents who are interested in information on joining Scouting to come to a sign up meeting. At the meeting we will show a movie, give a talk on Scouting, and ask the boys and their parents to join the unit of their choice. The objective will be to use our District's most able speakers to convince boys and in particular, parents, that they should become active in this program. This will be a "one time" effort and is not planned to be repeated next year.

### PARDON US

Pack 4650 which wins everything BIG, was not included in the June **COUNCILER** list of units that earned the 1966-1967 Achievement Plan Award. Pardon us! We do "love" you.

### CONGRATULATIONS

. . . To Scout **William Jolly** of Troop 253. His cool head and knowledge of first aid undoubtedly saved his father's life during a recent coronary attack. Bill is pictured here.

. . . To Troop 102, Stickney, and Scoutmaster **John Tracey** for winning the First Aid Meet Plaque.

# SUMMER MONTHS PROVIDE FULL ACTIVITIES PROGRAM

Outdoor cooking was one of the many Scout skills highlighted during the May 27 Showando at Valley View. Walnut soup is on the menu here as a group of 360 Scout leaders who attended take note so that they may add it to their stock of recipes and pass it along to the Scouts in their troops.

Flanked by two Scouting tributes, former Scout Executive Alden G. Barber and his wife Mitzi display an engraved silver tray they received from the Council at their reception, June 4, at Valley View, honoring the new Chief Scout Executive as he departs for the National Council. Council leaders bidding farewell are (from left): Harvey G. Foster, Joseph L. Anglim, Robert M. Buddington, T. A. Sedam, and Thomas M. Thomas.

Council Arrowmen discuss plans for Owasippe Lodge's participation in the 52nd National Conference of the Order of the Arrow, August 28-September 1 at Lincoln, Nebraska. Lodge Officers (from left) are: John Cook, Sheridan Nunn, Manny Roth, and Chuck Accardi.

Committee members of the Scandinavian Friendship Tour plan the itinerary for this Scout tour, set for July 25-August 15, 1968. The Scouting are (seated, from left): Dr. John N. Schuetz, Tour Chairman Erling W. Henningsen, and Palle Juul Larsen; (standing): Lowell H. Peterson, Dr. George L. Watts, and Charles Yarrow. The contingent will visit Denmark and the site of the national jamboree in Norway. Also included is a trip to Gilwell Park in England.

## FOLLOW THESE PROCEDURES TO ACHIEVE SUCCESS IN THE FALL MEMBERSHIP DRIVE

Unit leaders are urged to follow these steps as a guide to completing a successful Roundup:

• Unit progress charts will be provided for each unit. Use this chart to list the names of new boy prospects to be recruited. The entire Council staff, both executive and commissioner, will be conducting boy prospect surveys and school rallies, in order to give unit leaders the names of prospects for their follow-up recruitment, and eventual registration.

• Roundup kickoffs will be held in all districts during August. They can be held in connection with program planning conference, steak fries, or corn roasts. Unit Roundup kits, containing recruitment ideas, the progress chart, posters, and other useful information, will be distributed at these kickoffs.

• New boys can be encouraged to join by inviting them to unit meetings and allowing them to participate in the program.

• Recruiters can be recognized early in the fall for their efforts by honoring them at the Tenderfoot investiture ceremonies for the new Scouts.

# A Boys' Life IN THE CHICAGO AREA COUNCIL

The kind of experience each individual boy receives in this wonderful game of Scouting is vitally important to him — his family — his community — his nation.

It is important that Scouting reaches into his home and everyday life beyond unit meetings and activities. That's where Boys' Life is important — it puts Scouting into leisure hours and is a constant aid to and reminder of top quality Scouting.

Boys' Life is important in Chicagoland Scouting because it is part of the program of the Boy Scouts of America — a boy's Scouting experience is not complete without it.

Better use of Boys' Life throughout Chicagoland will show these results: Better parent interest, boys staying in the program longer, better advancement, better interpretation of Scouting ideals and increased interest in outdoor activities.

Don't wait until charter time — boys need it now — start Boys' Life when each boy joins!

Complete your unit program today — become a 100% Boys' Life unit!

Send this coupon to Chicago Area Council, B.S.A., 300 West Adams Street, Chicago, Illinois, 60606 for a special rate this month.

have other program notebooks for sale for all Den Mothers, Assistant leaders, etc. Plan Now To Be Present.

### CUB INDIAN POW WOW

This is being written on June 13, so it is rather hard to write about an event that won't take place until June 24, but congratulations to Bill Erickson and all of his committee on a TOP NOTCH Cub Scout Leaders POW WOW. Many hours of hard work were put into this event by all Cub leaders and several Scout & Explorer leaders and the Order of the Arrow.

### NUNS' DAY

Watch for details coming out about this great Council event. It is a day of fun, games, crafts, prizes, Scouting skills, and charcoal cookout, for all Nuns sponsored by the Archdiocesan Catholic Committee on Scouting and the Chicago Area Council.

To acquaint Nuns with objectives of Scouting, make arrangements to furnish transportation for the Nuns in your Parish.

What a help they can be to our membership drive.

### BE READY

On September 14 and 15 all professionals will be briefed on the new Webelos Program and other changes in the Cub Program. We'll detail all this information at the September 26 Roundtable. So mark this date on your calendar as a MUST Roundtable.

### 115 & 3100 ARE THE MAGIC NUMBERS

115 units and 3100 boys by December 15 are our district goals. This means at least 10 or 11 new Scouting units and 750 new boys between now and December 15. We recruited over 900 boys and organized 21 new units last year during the August through December period. It won't be easy, but just think of the opportunity to serve more and more boys. Each unit will be asked to set a challenging goal to help reach this goal at the August Roundtable.

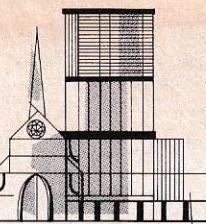

### TRAINING

A full Cub, Scout & Explorer Training Course will also be offered this fall, beginning in October.

### CONGRATULATIONS

To George Esch for the great job as Showando Chairman. We had a fine group of our leaders out for the event. Other Woodbadges helped conduct this Councilwide event.

## CUBS CORNER

by Lois Brooks

Hello again! I hope you have all had a happy summer and have managed to relax in the sun, or better still, in the shade.

Once school starts, I know the silence in your house is going to be deafening. How about having a "preview party?" What is it? Well, it's all part of the "Addaden" program. As our Cubs progress to Webelos and Scouting, it's up to us to fill in and enlarge our packs. So, ask your pack leader for an "Addaden" kit and plan a "preview party," now. If he doesn't have them, they may be secured from the Council Service Center.

Have you filled out the application for your Summertime Pack Award? I'm anxious to hear about your activities, anxieties and aggravations, and boys; so please write!

## ALONG THE SCOUTING TRAIL

by Storrs H. Smith

In the old Hawaiian language a newcomer is known as a "Malihini" and an old-timer is referred to as a "Kamaaina." However, they have one thing in common, and that is spirit and affection for each other.

In joining the great traditions and family spirit of the Chicago Area Council as a "Malihini," I pledge you my very best to continue to build this outstanding council of our nation. Boys, trained in character, citizenship, and physical fitness, are our cherished goal. This can only happen through dedicated men and women, strong sponsoring institutions, and outstanding districts. Our personal vision, abilities, talents, and continuing development of the council's family spirit will be paramount in determining how many boys we will serve.

We fondly say "Good Scouting to 'Kamaaina' Alden G. Barber" who will continue to set the pace for all of us at the National level. As a "Malihini" with you, I express my personal best wishes and may our Scouting trails cross soon and often.

As Scouting is expanded and enriched for boys, we will all be proudly aware of not only building a great Chicago, but helping to determine the course of our nation's future as well.

## RESTATE FUEL POLICY AT SCOUT ACTIVITIES

The Council's policy regarding the use of liquid fuel at camp sites and other Scouting activities is still in effect.

Consistent with National Council policy, it provides that stoves using gasoline, kerosene, liquid propane or butane, or charcoal liquid lighter fuel will not be permitted. Lanterns with kerosene may be used only for permanent, stationary, outside lighting under the supervision of the camp director.
